

2016 Willed Body Program Annual Ceremony and Burial Service

We respectfully invite family and friends of donors in the
-Willed Body Program -

*September 30, 2016 at 09:45AM
Evergreen-Washelli Memorial Park Chapel
11111 Aurora Ave. N., Seattle, WA 98133*

This service is to honor our donors for whom studies have been completed in the Willed Body Program for the advancement of medical education and research. Our non-denominational service is dedicated to all donors whose remains are buried in the University of Washington's community gravesite, or returned to their families for private burial.

Officiating

Dr. John Clark, Willed Body Program Director

Rev. Greg Malone, Palliative Care Chaplain, Spiritual Care Department,
University of Washington Medical Center

Spiritual Care Interns & Residents, Spiritual Care UWMC/HMC

After the chapel service we will visit the University of Washington, School of Medicine community gravesite. Evergreen-Washelli Memorial Park staff will be on site for assistance to this location.

For directions to the service contact Evergreen-Washelli Memorial Park (206) 362-5200. If you have questions about the service or donor program, please contact the University of Washington's, Willed Body Program office (206) 543-1860.
