

UW Medicine

UW SCHOOL OF MEDICINE

The **UW SCHOOL OF MEDICINE** serves the five-state WWAMI region: Washington, Wyoming, Alaska, Montana and Idaho. The School is ranked second in the nation in total federal research grants and contracts with \$749.9 million in total revenue (fiscal year 2016) according to the Association of American Medical Colleges.

Programs

- M.D. - Provides medical students with consistent mentoring for excellence in clinical skills and patient-centered care.
- Graduate Medical Education (GME) - Provides advanced training through 28 residency and 76 clinical fellowship accredited programs (ACGME). Other fellowship programs are approved by national specialty societies.
- MEDEX Northwest - A regional program to educate physician assistants with a focus on primary care for underserved populations.
- Medical Scientist Training Program (MSTP) - Enables highly qualified candidates to obtain both M.D. and Ph.D. degrees for careers in basic medical research.
- Allied Health Programs - Undergraduate and graduate training for health sciences careers.
