Please return form to: Fax 206-767-4639

LARGE PATIENT TRANSPORT REQUEST

Airlift Northwest will transport patients more than 250 lbs., but we will need additional information to make that decision. Please complete the form below and return it to us. We will call you after reviewing the form. The final decision of whether a patient can be transported safely is made by the medical crew after assessment of the patient, and lastly by the Pilot in Command.
