

UW Medicine Request for Adult Proxy eCare Access

If you would like to grant access to your online eCare medical record and other online services,
Complete this form.

Patient Information

I authorize UW Medicine entities utilizing eCare to disclose protected health information about:

Name of Patient: _____
(Last, First, Middle Initial)

Date of Birth: _____ Last 4 Digits of Social Security Number: _____

When you want this proxy access to be deactivated,
call the UW Medicine Contact Center at 1-877-520-5000 or 206-520-5000.

Proxy Information (the individual to whom you would like to give access to your online eCare medical record):

Name: _____ Relationship to Patient: _____ DOB: _____
(Last, First, Middle Initial) (needed to create proxy account)

Address: _____

Email: _____ Phone 1: _____ Phone 2: _____

Photo identification of the representative must be provided (in person, mail, email or fax).

Declaration and Acknowledgement

- I am aware that all secure messages between representatives to whom I grant adult/proxy eCare access and my healthcare team will become part of my medical record.
- I understand that I am requesting that this information be released for personal use.
- I understand that the information in my health record may include sensitive information about my conditions which may include sexually transmitted disease, acquired immunodeficiency syndrome (AIDS) or human immunodeficiency virus (HIV). My health record may also include sensitive information about behavioral or mental health services and treatment for alcohol and drug abuse.
- I understand that I may revoke this agreement by written request at any time by contacting UW Medicine Health Information Management (contact information listed below). Revoke access for inpatient/hospital accounts at Harborview Medical Center and University of Washington Medical Center by calling 1-877-621-8014 (Inpatient portal eCare Support).
- I understand that failure to comply with the terms and conditions of use for UW Medicine eCare may result in the deactivation of access privileges. <http://www.uwmedicine.org/patient-care/ecare>
- Treatment will not be conditioned: I understand that my evaluation, care and treatment in UW Medicine hospitals and clinics will not be influenced by my request for access to my online medical record.
- Potential for redisclosure: I understand that persons with proxy access to health information of the patient designated on this form are not bound by law to keep it confidential.
- I understand I have the right to receive a copy of this signed form.
