

# Amended Notice from the UWMC Board

3/25/20

We have been informed that last night the Governor signed a new proclamation, effective immediately, prohibiting public attendance of board meetings that the OPMA otherwise would require a physical location for.

In light of this development, please be advised of the following:

- (1) Under the Governor's proclamation 20-28, the UWMC-NW location for physically attending the March 26, 2020 UWMC Board meeting has been cancelled;
- (2) By law, members of the public are now prohibited from attending the meeting at that location;
- (3) Members of the public are welcome to attend the meeting remotely via the arrangements already in place (Please see posted UWMC Board Agenda).
