

Medical Respite at Jefferson Terrace

Planned Admits

- Respite does a limited number of planned admits per day/week
 - All planned admits must be PREscreened before a referral is placed
 - **Planned procedures can be subject to last minute cancellation**
-
- Pre-screen patient by calling Respite Admissions team at 206/744-5277
 - Only patients who are living homeless are eligible
 - If your patient stays overnight in the hospital for observation, they will need to be referred by the inpatient team
 - Respite does not reserve beds for these patients. You are welcome to prescreen them and make Respite aware
 - All patients coming to Respite need to be:
 - Independent/modified independent with mobility for 250 feet or more (wheelchair/walker acceptable)
 - Independent with ADLs, including medication management
 - There is no bedside care at Respite
 - Confirm with admission team that pts procedure agrees with respite's planned admission calendar
 - **Once the prescreen is done/date confirmed, you will be invited to submit a referral**

Pre-Procedure

- Please plan to provide any of the following applicable documentation to the respite admission team:
 - Pre-procedure instructions
 - Colonoscopy prep instructions
 - date/time/location/phone number of procedure area for Respite RN to call for report
- Non-Harborview: set up escort (if needed) and schedule transportation
 - provide info to admissions team
- All planned admits will need a negative COVID test w/in one day of admission to respite
 - contact the admission team if this could be a barrier

Day of Admit

- Patients admitting pre-procedure can present to respite between 10:00 and 15:00
- Post-procedure, patients should be to Respite no later than 16:30

Post-Procedure

- Refer-er responsible for scheduling f/u appointment
 - Provide follow-up date/time to admissions team
